Postmark deadline for applications: April 15, 2007

Return applications to: THA Foundation Scholarship, School of Education and Allied Professions, Attn: Dr. James M. Shiveley, Teacher Education, 401 McGuffey Hall, Miami University, Oxford, Ohio 45056

The THA Foundation Scholarship will be awarded to full-time Miami University students majoring in either early or middle childhood education. Scholarship recipients must maintain a minimum grade point average of 2.75 and have documented financial need. Students must demonstrate a high potential for entering and remaining in the elementary education teaching profession. Additionally, by completing this application potential recipients are making a commitment to teach at the early or middle school grade level, one year for each year of scholarship support.

The THA Foundation was established by Dr. Thomas Haggai in 1963 with its purpose to provide assistance "so young people will be prepared to help the youth of our country." **Over the years, the mission of the Foundation has evolved to include support of non-traditional students preparing for careers in early or middle childhood education.** The Board of Governors of the THA Foundation recognizes the shortage of qualified teachers, particularly in the areas of early and middle childhood education. In its desire to aid in reducing this crisis, the Foundation is committed to providing scholarship assistance to fund partial or full financial support for tuition, fees and books. THA Foundation annually awards scholarships to some 20-25 students.
