

International Perspectives in Sport Psychology: United Kingdom

July 18 – 28th, 2010

**KNH 699K
(3 Credit Hours)**

Description: This study abroad experience will examine sport psychology research and practice from an international perspective in the United Kingdom. Graduate students from across the United States will interact with students and faculty from the University of Birmingham, Sheffield Hallam University, Loughborough University, and the University of Strathclyde (Glasgow). The itinerary includes seminars (both research and professional practice) with prominent sport psychologists and tours of sport agencies in the United Kingdom. Contact Dr. Chase for detailed itinerary.
