

The screenshot shows a web browser window with the URL <https://miamiu-csm.symlicity.com/students/index.php?ss=search&s=jobs>. The page header includes the Miami University logo and the "MIAMI CAREERlink OFFICE OF CAREER SERVICES" branding. A navigation menu contains links for home, profile, documents, jobs, employers, interviews, events, and calendar. The "jobs" link is circled in red. Below the navigation is a "job postings" section with a search bar and tabs for Jobs, Favorites, Advanced Search, Search Agents, Applications, and Job Leads (Previous Postings). The "Advanced Search" tab is also circled in red. The main content area is titled "Advanced Search Options" and contains several search filters: Search Agents (set to "select existing"), a checked "Save as" checkbox with the text "Test 1" (circled in red), Show Me (set to "All Jobs & Majors"), Posting Date (last # days) set to 7, Keywords (empty), Majors/Concentrations (set to "select"), and a "Limit Filter to Selected Values" checkbox. Below these are radio buttons for "Ignores jobs with 'All Majors' selected" (yes/no), a "Position Type" dropdown menu (set to "Full Time"), and a "Work Authorization" dropdown menu (set to "U.S. Citizen"). On the right side, there is a "Advanced Search Instructions" box with text explaining search rules. The browser's status bar at the bottom shows "Done" and the URL "miamiu-csm.symlicity.com".
