

Please excuse the confusion as we transition to a new system!

Beginning with study abroad in summer 2010, the **Study Abroad Declaration Form** is no longer part of the Miami University study abroad paperwork. Instead, you must create a **Study Abroad Application** on our new website at:

<http://www.studyabroad.muohio.edu>

If you encounter any difficulty or cannot find your study abroad program on this website, please contact a study abroad advisor at international@muohio.edu or (513) 529-5628.
