

JUNIOR SCHOLARS PROGRAM APPLICATION PROCEDURES AND INSTRUCTIONS

A. STUDENT

1. Please complete the front of the application.
2. Please note that the ethnic group is requested for statistical purposes only. Aggregate numbers are reported to meet state and federal affirmative action requirements. Miami University provides equal opportunity in education and employment.
3. Please have your parent or guardian sign the permission statement.
4. Please take the application to your counselor, teacher, or principal to complete the back of the application and for his or her signature.

B. PARENTS OR GUARDIAN

1. Please indicate your approval of your daughter's or son's application.
2. No payment is due at this time. Accepted students will be asked to complete an Intent to Enroll Card and a Class Registration Form. Fees will be billed after course registration is completed.

C. HIGH SCHOOL COUNSELOR, TEACHER, OR PRINCIPAL

1. Please sign and date the Junior Scholars Application if the student meets the stated requirements. Also, type or print a brief recommendation or comment in the space provided on the reverse side of the application form.
2. Please enclose a transcript covering grades earned beginning in year 9 through the first term of the current year. Please include any college aptitude test scores, i.e., PLAN, PSAT, ACT, SAT, or IB. **The transcript and test scores should be sent in an envelope sealed by a school official.** Also include the results from the TOEFL examination, if English is not your native language. If such results are not available, then supply a letter from your English teacher which affirms your ability to read, write, think, and learn in English. We cannot act on a student's application until we have the above information.
3. Mail the completed application and high school transcript showing test scores to:

OFFICE OF ADMISSION
301 S. CAMPUS AVENUE
MIAMI UNIVERSITY
OXFORD, OH 45056-3434
U.S.A.

4. If you have any questions, please contact Dr. Robert Smith, Director of the Junior Scholars Program. His coordinates are below.
