This pamphlet contains a brief summary of the features and benefits for insured participants covered under Policy No. HM-2090-A-09. This is not a contract of insurance. Coverage is governed by an insurance policy issued to Miami University underwritten by HM Life Insurance Company, Pittsburgh, PA, NAIC #0812-93440 under policy form HM207-SI. Complete information on the insurance is contained in the Certificate of Insurance on file with the school. If there is a difference between this program description and the certificate wording, the certificate controls.

COORDINATION OF BENEFITS (COB)

Some people have health care coverage through more than one medical insurance plan at the same time. COB allows these plans to work together so the total amount of all benefits will never be more than 100 percent of the allowable expenses during any policy year. This helps to hold down the costs of health coverage.

hthstudents.com

Once Eligible Participants receive their Medical Insurance ID card from HTH Worldwide, they should visit hthstudents.com, and using the certificate number on the front of the card, sign in to the site for comprehensive information and services relating to this plan. Participants can track claims, search for a doctor, view plan information, download claim forms and read health and security information.

PRE-EXISTING CONDITION LIMITATION

The Insurer does pay benefits for loss due to a Pre-Existing Condition.

LIMITATION OF MATERNITY COVERAGE

The Policy does not pay benefits for maternity coverage unless conception occurred while the Covered Person was insured under the Policy.
