

Miami University Coaching Clinics

Supported by the Ohio High School Athletic Association (OHSAA)

Two day clinics held at

Miami University's Voice of America Learning Center in West Chester for Interscholastic Girls' and Boys' Coaches of All Sports, Grades 7-12

For all new coaches and coaches who need re-certified.

This clinic offers face-to-face instruction, interaction with colleagues, and the convenience of completing all of the requirements in one setting.

Day one covers the required Sports Safety Training for Coaches.

Day two covers the "blended" version of the Fundamentals of Coaching Course required by the OHSAA.

Miami University, through the Voice of America Learning Center in West Chester, Ohio, is offering a two-day clinic that covers all of the necessary steps to apply for the **Ohio Pupil Activity Supervisor Certificate*** and to fulfill the **Ohio High School Athletic Association's Fundamentals of Coaching Course Requirement** including:

- Required Sports Safety Training for Coaches including first aid and CPR
- Required Fundamentals of Coaching "Blended" Version (face-to-face and online component)

*All applicants for the state's Pupil Activity Supervisor Permit must also complete fingerprinting and background checks through a WebCheck facility.

For more information go to: www.webcheck.ag.state.oh.us
