- C. Grant to Promote Research (amount requested in C., \$3,000 limit) \$ _____

Does this research include the use of Human Subjects? Yes No

You must complete a required human subjects ethics training course before your human subjects application can be approved. Contact the Office for Advancement of Research and Scholarship for more information.

Does this research include the use of Live Vertebrate Animals? Yes No

I agree that this proposal is subject to the CFR policies as stated in Faculty Research Grants Program Guidelines. If awarded a Summer Research Appointment, I will not accept supplementary employment during designed weeks for the award. I understand that the CFR's expectation is that I will devote fulltime to the Summer Research Appointment.
