CHEMISTRY & BIOCHEMISTRY (CHM)

Students enrolled in all chemistry laboratory courses are required to provide and wear their own approved goggles that comply with ANSI Standard Z 87.1-1968 for eye protection as cited by OSHA. Available at the bookstores.

Students receiving credit for a higher level lecture or lab course sequence numbered below 200 may not receive credit concurrently or subsequently for a lower level sequence.

FRENCH (FRE)

Students may not take for a credit a French language course below the level of their high school preparation. In unusual cases, students may request a diagnostic examination and an advising session to review their placement. Once students begin the sequence of language courses that lead to FRE 202 they may not skip a course in the sequence to fulfill the LER-E requirement.

Students with high school French should enroll as follows: FRE 101: No previous high school French; FRE 102: One year high school French; FRE 201: Two years high school French; FRE 202: Three years of high school French; FRE 301: Four or more years high school French.

SPANISH (SPN)

Once students begin somewhere in the sequence of language courses that lead to SPN 202, they may not skip a course in the sequence. All prerequisites for 100 & 200-level courses will be strictly enforced.

Students who have two years of high school Spanish may not register for SPN 101 or 102 without department permission.

| | | | | | | | | | | | | | |
|--|-------|---------|---|-------------------|---|----|-----------------|-------|-----|-----|--|--|--|
| | 12309 | SPN 101 | A | Beginners Spanish | 4 | 18 | 11:15am-12:20pm | M W F | 142 | IRV | | | |
|--|-------|---------|---|-------------------|---|----|-----------------|-------|-----|-----|--|--|--|

Note for course above: You may not register for this course if you have taken two or more years of High School Spanish

| | | | | | | | | | | | | | |
|--|-------|---------|---|-------------------|---|----|-----------------|-------|-----|-----|--|--|--|
