**Airline tickets must be purchased by January 20, 2008.** You may purchase a ticket from the block reserved by Travel Unlimited or make your own arrangements. If you choose to depart from another city, Travel Unlimited will be pleased to work with you on airline reservations to coordinate your flight schedule with the flight leaving Chicago. If you desire to extend your stay in Europe after the study tour ends, Travel Unlimited can also help make those arrangements.

If you fly independent of the group out of Chicago, please plan to arrive at the Frankfurt Airport by noon on May 18.
